

REPLACE THE TURNS 8/18 AND 9/18 AND SIDE-SLIPS 15/18 AND 16/18 OF THE "C" DECK WITH THESE CARDS, AND LOWER THE ZERO HIT RATING DOWN TO 12. THIS SHALL GET YOU CLOSER TO THE LEGENDARY ZEROS' MANEUVERABILITY AND VILNERABILITY TO DAMAGE.

IF YOU HAVE NO TIME TO MAKE THESE "BANZAI" MANEUVERS LOOK LIKE REAL CARDS, JUST LEAVE THEM ASIDE, AND ANY TIME YOU FLIPP THE MANEUVER 8,9,15 OR 16 JUST USE THE "BANZAI" MANEUVER OF THE SAME NUMBER INSTEAD.
